Declaration

This Digital Agricultural Contract Certificate is generated by Agrishield after both the buyer and farmer mutually accepted the negotiated terms through the Agrishield platform. This document serves as digital proof of the agreement established between both parties.

Terms & Conditions

- This certificate is digitally generated.
- Both parties agree to honour the negotiated terms.
- Failure to fulfil the agreed contract may lead to penalties under Agrishield policies.
- Fraudulent activities may result in account suspension or permanent banning.
